

Ayhab Tariq (Web-Developer)

As a passionate web developer with a strong foundation in HTML, CSS, JavaScript and Bootstrap, I am eager to enhance my skills and gain real-world experience. With my expertise, I am capable of designing and developing visually appealing and user-friendly websites. As a quick learner, team player, and possessing excellent communication skills, I am confident that I can make a positive contribution to any organization. I am excited about the opportunity to grow and gain valuable experience for my future career as a web developer.
